Steady, Aye Steady

Saskatchewan Pool Elevators Are Symbolical of Stability

In the face of change and anxiety they stand secure, supported by the strength of co-operation.

Farmer-owned, farmer-operated, they are devoted to the cause of Saskatchewan agriculture.

They represent a force mustered in defence of the farmer's interests. They have protected his rights in the past and will continue to do so in the future.

Support progress and security by delivering all your grain to Saskatchewan Pool Elevators.
